Anthony,

My response is “The Chico Police Department follows our policy concerning immigration enforcement and adheres to State Law for participation in immigration enforcement. We abide by SB54 as it relates to the use of Automated License Plate Readers within the City of Chico and any of our partner agencies who utilize them.” Please see the attached policy concerning immigration enforcement. I do not speak on political matters as there is no place for my opinion in the matter. Hope this helps.

Thank you,

Chief Billy Aldridge
